

ART IN THE PARK:

# Mosaic Bee House

Help protect our pollinators at  
**Art in the Park**

Presented by Ramsey Parks & Recreation  
and the Rumriver Art Center

Did you know that bees and other pollinators play a critical role in the food supply for wildlife and people? Yet many species are suffering declines. The City of Ramsey is committed to incorporating pollinator-friendly practices into our community and to creating, restoring and protecting pollinator habitat.

**You can help!** Welcome pollinators into your yard with your very own bee house. Rumriver Art Center instructors will lead you step-by-step through this class, as you use broken china dishes to decorate a new home for these special pollinators in your garden or yard.

**Registration** is required. Suggested donation of \$10 per participant.
